Attendance & Enrollment Report

Welcome parents to the new season. We had a good start with Parent Orientation on Monday May 4th. We currently have 37 children enrolled, 65 funded enrollment for the season, and 21 pending. Our attendance for the month of May has been below 85%, because of lack of transportation Remember parents, you are the best recruiters for our program. Please let other families know of our program. Good news! The new modular is here in La Mesa with an additional two preschool classrooms to open soon!

Special News:

Center will be closed this Monday May 25, 2009 due to Memorial Day.
