## ***TMC Promotes Summer Reading***

**Laredo, TX** - TMC and AT&T have partnered together to continue the spirit of the Dia de los Niños celebration held on May 6, 2008. Students who attended the Dia de los Niños celebration from Farias Elementary were each given a book to take home during the summer break. A contest was held that included all the schools that attended the Dia de los Niños celebration at the LEC. From all the schools that attended the celebration, Farias Elementary was chosen as the winner of the “Summer Reading” contest.

“Reading is the most important tool that children use throughout their whole lives. TMC together with AT&T want to make sure that we provide tomorrow’s leaders with every opportunity to sharpen this tool”, stated Mary Capello – TMC CEO.

Two classrooms attended the Dia de los Niños celebration from Pre-K 3, five classrooms attended from Pre-K 4, seven classrooms attended from Kinder, six classrooms attended from First Grade and six classrooms attended from Second Grade. Farias Elementary is under the direction of Principal Sam Sanchez.
