TMC Hosts Parent Conference

Edinburg – TMC’s Rio Grande Valley Region in partnership with the South Texas Advantage Project and the UT Pan-American College of Education hosted the 4th Annual Parent Conference at the University of Texas Pan-American this morning. This year’s conference entitled “Festejando Familias-Celebrating Families” celebrated the role a strong family plays in children’s lives.

The conference was divided into sessions which included the following topics, Effects of Family Violence on Teens; Eating Right is Basic; Healthy Marriage Development Programs; Making the Most of Your Food Dollars; Practical Steps to Help your Child with Reading; and many others.

“This conference is the perfect opportunity to congratulate the parents, family members and community partners for the volunteer hours they have provided to our program and their children. It is important for children to know that their families are involved in their education, but also because the education of a child is not the sole responsibility of the school, but of the family and the community in general”, stated Dr. Mary Alice Reyes – TMC Rio Grande Valley Regional Administrator.

For further information contact **Dr. Mary Alice Reyes**, TMC Rio Grande Valley Regional Administrator at **956-464-5000**.
