## **TMC Participates in 3<sup>rd</sup> Annual Migrant Family Health & Resource Fair**

Palmview, TX – Staff from the Cornyn Center were participants at the 3rd Annual Migrant Family Health & Resources Fair. This fair served as an opportunity to learn about the different Social and Health Services available to migrant families who live in the La Joya ISD area. The fair was held from 9:00 am to 12:00 pm at the Palmview Recreational Center, FM 495 1 Mile & Bentsen Palm Drive.

TMC invited migrant families from across the Rio Grande Valley to become familiar with the services TMC offers at its centers. “We are excited about the services we offer to the children of Palmview and are prepared to partner with any agency in order to provide the migrant families of the Rio Grande Valley the best possible services”, stated Marylou Mendoza – Cornyn Center Manager.

Families who participated in the Fair received free eye screenings, free blood pressure checks and free diabetes testing opportunities.

Staff from the Cornyn Center who participated in the Fair include; Dinorah Nichols-FSA, Sandra Villalon-FSA, Nelda Garcia - Recruiter, David Becerra - Recruiter, and Gonzalo Garza - Bus Aide.
