**Zapata, TX** – Texas Migrant Council, Inc. (TMC) staff joined Judge Guevara and the leadership of Zapata in providing the children a morning of enjoyment. TMC was represented by Sandra Morales, TEEM Director, Ana Arriaga and Hope Charles, TEEM mentor in Zapata.

TMC's booth was a duck pond and a dart game where every child was guaranteed a prize. "It was a wonderful morning, all the children that came to our booth were anxious to see what prize their duck provided", stated Sandra Morales. "Children kept wanted to see how many points they could add up in the dart game and compared prizes among their friends", stated Ana Arriaga. We look forward to next year and guarantee greater opportunities for prizes.

Other booths included a fishing pond provided by Judge Guevara and the Texas Parks & Wildlife, a Moonwalk, craft booths, face paintings and other activities.
