TMC Welcomes New Regional Director for Ohio Region

Fremont, OH – Texas Migrant Council, Inc. (TMC) CEO Mary Capello announced that Rachel Batista has been hired as the new Regional Director for the Ohio Region. “Ms. Batista has played an integral role in our growth in Ohio and know that she will continue our tradition of providing excellent service to the families we serve in her new role of regional director”, stated Mary Capello –CEO.

Ms. Batista served as interim director while the position of regional director was open. Prior to her role as interim director, she served as the Early Intervention Prevention Coordinator where she ensured accessibility of primary health care to the children of the Migrant Seasonal Head Start program throughout the state of Ohio. Also, she worked with the families served by providing all health, nutrition, mental health and safety policies for the organization and identified needs of families by bridging partnerships with the different service providers in Ohio.

Ms. Batista is currently working on her Master’s in Business Administration from Bowling Green University and holds a Doctorate of Medicine from the Universidad Nacional Pedro Henriquez Ureña (UNPHU) in the Dominican Republic.
